## Chapter 1 by Darkforest

I walked for miles.

I walked for weeks.

I walked till my feet bled.

I walked until my shoes succumbed to the elements.

I walked for years.

But nothing happens.

The road is a continuous path that never ends and leaves you more insane every minute.

I have been walking for years and I can't find any way out of this continuous loop.

Help me.

Chapter 2 by MochaMika

I never walked away

You didn't chase me

I kept walking

You never gave me a reason

A reason to stop

A reason to stray the path

Or a reason to start running

It's the same every round

Same memories

The best ones

The worst ones

And that one...

### Chapter 3 by Brock Thompson

I walked no matter what.

I walked during storms.

I walked at midnight.

I'm so tired.

I can't go on.

Just a little rest, just a little pause.

You made me this way.

I walk for you.

I walk for us.

I am on a perpetual journey out of my labyrinth.

Out of my labyrinth of suffering.

I walk so I think.

I walk for my thoughts.

I walk for the sake of doing something.

Something other than writing.

The words flow out of me.

You said they were...are poetry.

I say they are cursed.

You say they're beautiful, like me.

You lied.

If you love me then why did you kiss her?

I don't know who to believe?

You? Her?

I don't trust.

I don't love anymore.

Chapter 5 by Tufan

It's not like I don't want to

I don't mean to deceive.

I don't wish for you to believe what is not the truth.  
That's what you did to me. Led me on. Made me believe things that weren't true.  
But whatever. It's in the past. Forget about it, right?  
Wrong.  
I wish I could love. You think I want debilitating trust issues? Trust me, I don't.  
But it's hard to believe anyone else when I can't even trust you anymore.  
You, the one who I thought loved me most.  
You, my life, the reason I go on, the speck of light in the all-consuming darkness of life.  
  
You, my angel. The sweet, sweet angel who left me sobbing in the middle of the night.  
For **her**.  
I wish I didn't hate her so much.  
I wish I could accept what's happened and moved on.  
Let bygones be bygones.  
But I can't.  
For never in my life did I think my dear sister would betray me like this.

### Chapter 6 by Juliana

Blood of my blood.

And because of her, now I bleed.

My feet, my eyes, my heart. Pain and darkness are all that's left for me.

I hear whispers. You calling out my name. Saying you're sorry. Saying you love me.

Lies.

But lies from myself, and myself only.

Because I know the whispers exist only in my head. Because they reveal my true and deepest

wish.

Because I know they are as false as the promises I made to you.

Chapter 7 by Animate

And so I journey

On the eternal road  
Trying to forget the sorrow  
Attempting to erase the pain  
Running away from it all  
I'm a fool though  
Because walking loops my thoughts back to you;  
So...
